

## Mariners.TV – Signup and Device Setup

---

Go to [mariners.com/stream](https://mariners.com/stream) to sign up for **Mariners.TV** streaming service. Pricing is set at **\$99.99** for the full season or **\$19.99** per month. **Mariners.TV** will work in tandem with **MLB.TV** and will be able to stream Mariners games with no local blackouts (subject to national exclusivities).

### **iOS / Android**

#### Apple iOS and Android Devices

---

1. Open the **App Store** or **Play Store**
2. Tap the search bar and type **MLB**
3. Download and open the MLB app
4. Tap **Get Started** or **Log In with MLB** and enter your MLB account email and password
5. Tap **Watch** at the bottom to find available Mariners games to stream

If device prompts for location request for live video broadcasts tap **Allow While Using App**

### **tvOS** / **Google TV** / **fire** / **ROKU**

#### Streaming Devices (Apple tvOS, Google TV compatible, Fire OS compatible, Roku)

---

1. Open the devices app store or find the search bar and type **MLB**
  - Apple tvOS – Open **App Store** or **Search** (magnifying glass)
  - Google TV – Open **Search** (magnifying glass) or **Apps**
  - Fire OS – Open **Find** (magnifying glass)
  - Roku – Open **Search**
2. Download and open the MLB app
3. Select **Have an MLB account?**
4. Use the devices remote to enter your MLB account email and password or use **Express Sign In** if available for a much faster and easier login experience (must have another device)
5. Find available Mariners game to stream on the **Home** page or **Games** page
6. Select video **SEA: SEA Video** if prompted

If device prompts for location request to determine game availability, live video broadcast and blackout status, choose **Allow While Using App**
